YOUR BENEFITS

$1 Million Tax Audit Defense™

Should you receive a tax audit or notice, you can depend on up to $1,000,000 in services from the industry's leading tax audit defense team. Your credentialed team of specialists provides comprehensive assistance to ensure your business runs without interruption.

Identity Theft Restoration

If the identity of any business owner is compromised, a designated Privacy Advocate will provide reliable and thorough identity theft restoration services. No matter how or where your identity is stolen, your team of experts stands ready to help you reclaim your identity with confidence.

Total Peace of Mind

Your personal and financial security matters. You can rest assured knowing that your business return is prepared with the utmost accuracy and attention to detail, and that your team of experts stands ready to defend you through any tax hurdle that might come your way.
